What class should you sign up for?

- ⇒ "UNDER 5 yrs. old" Enroll in the Peppermint Gym class based on child's age at the start of the session.
- ⇒ "5 yr. and OLDER" at the start of the session can enroll in Recreational Gymnastics Classes. New students sign up in Level 1.
- ⇒ Continuing students can request an evaluation or sign up in the same level of your most recent class session.

Advancement in the recreational classes is by ability and skill performance, not how long a child has been in classes.

Students will be able to advance when they can perform the required skills consistently and correctly. It is best to be in a class where success can be achieved and students can be consistent with their skills before moving to the next level. Learning gymnastics skills takes time, please have patience with the learning process.

Children are different and develop at different rates. We will only keep siblings or friends together if the age and or ability guidelines are followed.

Check here if new student or there is a change in contact information, new address, phone number or email.

What to wear: "gym" type clothing. No zippers, belts, buckles, buttons... leotard or yoga pant, shirt for girls.
